## ***Application Guide for EMIR (Executive Master of International Relations)***

Dear Executive Master Candidate,

*Welcome to the Geneva School of Diplomacy and International Relations. We would like to thank you for your interest in the Geneva School of Diplomacy and in the Executive Master of International Relations (EMIR) Programme.*

The following guide aims at assisting you in the preparation and completion of your application for the Executive Master Programme at GSD. Therefore, you might want to use this document throughout the entire process as it contains all pertinent information during your candidacy. Please note that it is crucial for the applicant to complete all required fields as thoroughly and accurately as possible.

*Only complete applications can be considered and reviewed by the Admissions Committee.*

All application documents, once submitted, remain the property of the Geneva School of Diplomacy and are treated confidentially.

The Geneva School of Diplomacy follows a rolling admission process with possible intakes in September and February of each academic year. This allows each candidate to carefully prepare his or her application on time whilst remaining flexible with the entry dates. You should clearly indicate your preferred entry intake (month and year) on the application form. However, the Admissions Committee reserves the right to offer a place for a later intake, should the spaces for a particular intake be already attributed or should the administrative procedures for obtaining a student Visa require more preparatory time.

In average, the Committee takes around *three weeks* from the reception of a candidate's application to the notification about the decision. Candidates may at any time of the year submit their application for an intake in the future for which the deadline has not yet passed by.

For any questions regarding the application process, please contact [info@genevadiplomacy.com](mailto:info@genevadiplomacy.com) or +41 (0) 22 300 33 77.

We thank you very much for your interest and wish you a successful application process!  
We are looking forward to hearing from you!

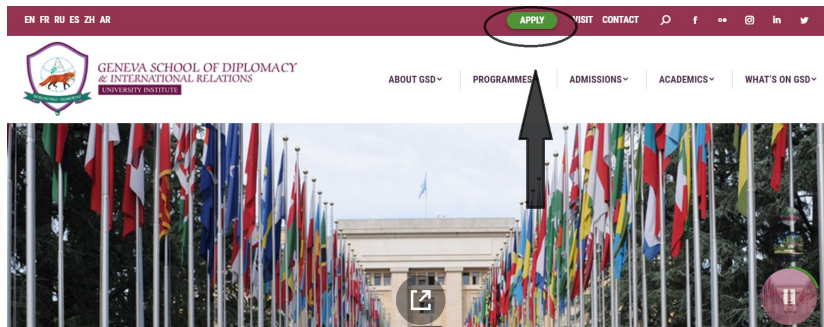

Sincerely,

The Geneva School of Diplomacy

## **II. DOCUMENTS TO BE SUBMITTED IN HARDCOPY TO THE ADMISSIONS OFFICE:**

Attach a copy of the following documents on the online form (if available) and send us the original documents by courier.

- ***Two Letters of Recommendation***  
The two letters of recommendation should be written by teachers who know you well enough to evaluate not only your academic performance, but who are also capable of assessing your character and your general behaviour. In case your last university enrolment has exceeded a time period that does not enable you to acquire letters of recommendation, you may submit a professional reference as a replacement.
- ***Official Grade Transcripts / Academic Reports / Diplomas***  
Official grade transcripts of previous studies as well as certified copies of any school or university diplomas must be submitted in hard copy. All documents must be officially certified and submitted in English (please add translated and certified copies if necessary). Also, make sure the grading scale used in your previous school or an explanatory note of the grading system is provided together with any transcript.
- ***Proof of English Language Proficiency***  
The Geneva School of Diplomacy offers academic programmes in English only. If your mother tongue is not English, you are required to submit a proof of your English proficiency level.  
In very exceptional cases, a candidate *may* be dispensed from providing a proof, e.g. if your previous studies were in English. Please provide us on a separate document with detailed explanations on your English skills and how you obtained them. The Admissions Office might then decide to accept this in lieu of a testing score.

## **III. OPTIONAL:**

- ***Schedule an Admissions Interview***  
An evaluative interview is a very useful way for both the applicant as well as for the school to get a more complete picture of the candidate and to learn more about the Geneva School of Diplomacy and the mutual expectations. Interested candidates visiting the school may be interviewed on an informal basis by the admissions manager. The interviewer may take notes and add his feedback to the candidate's application which will be transferred to the Admissions Committee. Furthermore, the Admissions Committee reserves the right to require additional evaluative interview before or even after the submission of the application.
